THE COUNTRY KIDS CHARITY

The Country Kids Charity

We're a not-for-profit with a big heart for rural and regional Aussie kids doing it tough.

We rely on the generosity of the Australian public to make an important difference to country kids who are seriously sick, injured, disadvantaged or have special needs.

Help us, help the little lives who need it, together we can make a real difference.

A word from some of our Ambassadors

John Eales AM
Australian Rugby Legend

"The important work Little Windmills is doing with seriously sick and injured country kids is integral in providing support to our rural and regional communities. The financial relief they provide families makes an incredible difference."

Justin O'Neill
QLD Maroons Representative

"I grew up in a country town, so to know that there's a group like Little Windmills out there who specialise in lending a hand to children and their families in their hour of need is extremely comforting."

The facts are...

Over **4,500** Aussie kids are air lifted by the Royal Flying Doctor Service every year, once in hospital their families financial journey begins.

By subsidising practical things like medical costs, travel, accommodation and providing essential equipment and services, Little Windmills makes a big difference. This crucial financial support relieves some of the financial burden on families, it allows mums and dads to focus on what's important, the wellbeing of their little one.
